

The background of the slide is a photograph of a traditional European half-timbered building. The building has a red facade with dark wooden timber framing. The roof is covered in reddish-brown tiles. There are several windows with white frames and two brick chimneys. A white banner is overlaid on the lower half of the image, containing the text.

Welcome

RIBuild seminar 21 January 2016

- 2:05** **Introducing RIBuild**
- 2:15** **Between heritage and energy efficiency**
- 2:30** **The risks of internal insulation in old buildings**
- 2:45** **Energy improvements of a protected building in Riga**
- 3:00** **Updating the energy standard while preserving the exterior**
- 3:15** **Coffee break**
- 3:30** **Important knowledge in the restoration process of old buildings**
- 3:45** **Designing guidelines for robust internal insulation**
- 4:00** **Debate**
- 4:30** **Round-off**
